TRANSMITTED VIA DAWN
TO DAO BEIJING
TUE 24 JUN 0734 HST

CLASSIFICATION: UNCLASSIFIED

FOR DAO BEIJING, CH

PLEASE TO COL WOLF, AIR ATTACHE, DAO BEIJING

1. Aloha, Completed initial IPR to CINC Thurs. afternoon. Overall we are right on track. This update addresses CINC's guidance. Please provide feedback to our plans.

2. Itinerary. Latest itinerary attached below. Some changes in evening dinner schedules, addition of visit to Asia-Pacific Center, and potential addition of Disneyland and visit to I MEF to San Diego schedule. No carrier ops scheduled then so that's out of consideration. See below for more.

3. USCP Objectives for Visit.

- a. Establish personal relationships with key PLA military leaders
- b. Demonstrate USCINCPAC responsibility, military prowess, and professionalism (internal only--this not shared with PLA in invitation message although two supporting objectives below were)

- Provide LTG Wu with a better understanding of USCINCPAC Mission, Organization, and Strategy

- Provide LTG Wu with a better understanding of U.S. joint and service training doctrine and procedures

- c. Exchange views on military relations and contacts between USCINCPAC and the PLA

- d. Expose LTG Wu and his delegation to American society and culture

4. Theme for Visit. PLA theme is training. Our theme is the Responsibility, Mission, Organization of a Unified Commander. We want to accommodate both on this visit.

- We will introduce PLA to our theme during first day of business here at USCP

- We want components to reinforce this theme by starting time with the delegation by giving a command-type briefing that shows how component fits into USCP and interacts with us, other components, and the services. Also demonstrate how broad responsibilities are by showing where forces are deployed throughout the Pacific.

- Then move on to the training theme during tours of base/facilities/units. Good things to show them are training in progress, high tech facilities like simulators, schools/academies, etc.

5. Specific Points.

a. CINC has decided that we will host and fund 8 PLA delegates. Accompanying the delegation in Hawaii are the following: US interpreter, escort from DAO Beijing, escort from USCP, representative of OSD, senior escort (flag) representing the CINC, and, at certain times, a photographer. Total delegation to be moved, briefed, fed, etc. is 13 (14 if photog. present). We will have 1-2 less for San Diego and Alaska (no OSD rep and definitely no USCP photog.).

b. We will consider LTG Wu to be equivalent of a U.S. 4 star. Consider the other LTG Wu accompanying him to be equivalent to a U.S. 3 star. Please advise if this isn't right.

c. CINC approved PLA request to go to Disneyland (I don't think any of them are Southern Baptists so should be OK). Have requested 3d Flt advise as to feasibility of tour/ DV bus taking entire party up early on 13th and bringing them back after dark. We are working ticket funds, current plan is for PLA to fund themselves. Alternate plan is remain in SD area and do Sea World, Ballgame, etc? Please advise.

d. CINC concurred with staff recommendation to not entertain PLA request for stop/down day in San Francisco. No USCP military purpose and can't justify to American Taxpayer. We invite and encourage the delegation to travel to and enjoy SF after we farewell them in Alaska on the 17th.

e. CINC approved doing outbrief via VTC on 170800V July. This VTC will serve as a wrap-up for the CINC and LTG Wu. This is 1200-1245 Washington time (I think). CINC plans to be in DC then so we will need help at Pentagon with setting up 3-way VTC with us here at USCP and with ALCOM.

f. For COL Wolf.

- Will need updated delegate list from PLA when they decide who their 8 are.

- Need to know who on delegation CINC has previously met. We're not sure of any of them but CINC/EA thought maybe LTG Wu Yuqian or RADM Zhao?

- What is LTG Wu Dep Chief of Staff for? We understand that it's not in his official title but he has responsibility for Training?

- Need to know PLA desires for media exposure/opportunities. We plan to publicize. Our PAO folks working with JS/OSD on guidance. Haven't planned any interviews just photo ops, write ups so far. What do the Chinese want?

- CINC has approved our recommendation for a Flag officer to serve as Senior Escort and his representative. This officer is still to be selected.

- For milair planning, need your SSAN, body weight, and estimated wt. of baggage. If you can provide est. wts for PLA delegates and their bags that

would be useful—for planning purposes, we're using 180 bodywt. and 70 baggage wt.

- Do I need to do anything in the visa process or do you have that in hand?

6. I'll be in touch. Don't forget new itinerary below. Aloha.

VR, ST.
